SPONSORSHIP PROGRAM

INTRODUCTION

CULTIVATE RELATIONSHIPS WITH YOUR TARGET MARKET

Thank you for your interest in the British Columbia Legal Management Association (BCLMA)! Your support and involvement helps ensure that we can continue to provide high-quality events to BCLMA Member Firms, their administrators and their managers. Our educational and social networking events provide you many opportunities to cultivate relationships with your target market.

Currently, BCLMA has over 515 individuals representing 190 law firms across the province—and each year we continue to grow. Our members are leaders in their law firms in the areas of finance, human resources, facilities and services, knowledge management, information technology, litigation support, marketing, learning and development and administration.

BCLMA offers different levels of sponsorship allowing business partners to customize their contributions to balance their fiscal responsibilities with the profile they wish to establish amongst the BCLMA membership and in the legal community. **New this year:** Package prices (except for the Premier level) have been lowered to allow more opportunities for participation amongst our business partners. Sponsorship opportunities are available on a first-come, first-served basis and at the discretion of the Board of Directors.

Attached, you will find an overview of our sponsorship program and a registration form. Please send your completed form to us as soon as possible to ensure you are included in our 2018 Sponsorship Program.

We value and greatly appreciate the relationships we have developed with our contributors over the years and look forward to strengthening those relationships in 2018.

If you have any questions regarding the program, please do not hesitate to contact us.

Sincerely,

Lorraine Burchynsky
BCLMA President
