**ERIC TERMUENDE**

### SESSION 1

#### The One-Degree Shift

Setting leaders up to thrive in the future of work through one-degree shifts in perception, Eric walks attendees through the current and future of work environments and shares three one-degree shifts we can make in our leadership roles.

Wherever you look, it is becoming increasingly clear that to succeed in the future of work, we must realize our full potential as a team. In this presentation, Eric Termuende walks attendees through work environments and shares one-degree shifts we can make to build better teams, establish deeper trust, and create an environment of belonging.

**THU, SEPTEMBER 10  
12:00 PM - 1:00 PM**

### SESSION 2

#### Leadership, Crisis, Stress, Neurology, Decision-Making & Presence

The current times call for leadership in short-term crisis management and long-term scenario planning. In this new era, how we care for ourselves, lead with decisiveness in uncertain waters, and acquire new knowledge to build frameworks is critical. The pandemic has pushed us into unprecedented challenges. More than ever, we must be the leaders our teams need. How can neurology help us? How can we leverage our leadership presence and skills? Who can provide value in your role?

**THU, OCTOBER 1  
12:00 PM - 1:00 PM**

#### About Cynthia

*The Founder, president and CEO of The Leaders' Haven™, a consultancy serving clients as a business strategist for a variety of businesses such as finance, legal, marketing, and education.*
